

Direct Cremation

From your local trusted family-owned funeral director established since 1848

The direct cremation package is a very simple cremation service available at a cost of £1300.00.

This fee includes our funeral director's fee, and other necessary fees paid on your behalf: the cremation fee charged by the crematorium and the doctor's fee for completion of the cremation medical certificate (cremation form 4)

What we will do, as fully trained and experienced professional funeral directors:

- We will transfer the person that has died into our care at our premises in Horwich (24 hour service)
- They will be dressed in a simple white gown.
- A suitable coffin will be used and chosen by us.
- We will use a hearse for the deceased person's dignified final journey, rather than a private ambulance styled vehicle or van. A simple silk flower arrangement will be placed on the coffin.
- The cremation will take place at a local crematorium, usually Howe Bridge Crematorium.
- We will collect the ashes from the crematorium in the days following the cremation and these can be collected from our office in the container from the crematorium unless a different type of container is purchased.

What is not included:

- **There will be no funeral service for anyone to attend.**
- No-one will be able to visit the deceased.
- We will not be able to add any additional aspects of our service to this direct cremation option.
- There will be no choice with the time, date or where the cremation takes place.

Arrangements can be made in person in our office or by telephone/ email.

Full payment will be required when the arrangements are made before the cremation takes place.

A direct cremation funeral plan is available with costs as above, plus an additional £285.00 arrangement fee charged by Golden Charter to set up the plan. Total cost £1585.00

(Livesey Funeral Service is an appointed representative of Golden Charter Limited trading as Golden Charter Funeral Plans

which is authorised and regulated by the Financial Conduct Authority (FRN:965279).)
